Consult web sites such as these for researching graduate and professional schools:
- California Colleges and Universities http://www.cpec.ca.gov/
- GradSchools.com https://www.gradschools.com/
- Peterson's Graduate Schools https://www.petersons.com/graduate-schools.aspx
- Sacramento State Graduate Programs https://www.csus.edu/graduate-studies/

Where can I find career research tools, such as occupation and labor market info?
A couple great resources are:
- California Career Zone https://www.cacareerzone.org/
- Onet https://www.onetonline.org/

You can also research industries that interest you using Library resources https://csus.libguides.com/industry
What is the status of career events - are they cancelled or have they moved online?
All on-campus, in person events at Sacramento State are cancelled through May 15th, 2020 per President Nelsen and the COVID-19 mitigation. Virtual events are being explored and we will have an update shortly as to whether any of our workshops or career fairs will be offered virtually. Check Handshake frequently to stay updated regarding the status of our events.
