

SAIT Consultation Recommended

PC Headset

Docking Station

Display Cable

Laptop Charger

Webcam

Wireless Keyboard & Mouse

USB-C Adapter

Although not detrimental for you to consult with SA-IT, we do our best to have consistency amongst these items across our divisions. We are more than happy to provide more information that can meet your needs.

Note: We typically have these items available for check-out but we encourage each department to invest in its staff if this will be a long-term use.

SAIT Consultation Recommended

Although not determined for you to consult with SA-IT, we do our best to have consistency amongst these items across our divisions. We are more than happy to provide more information that can meet your needs.
