## **Annual K-12 Principals and Community College Equity Leaders' Awards Summit**

Sacramento State hosts an annual Student Academic Success Day during the month of September to celebrate and educate the community on the major initiatives and advances being made in support of students. During this day of activities, a special professional learning experience session “School Principals and Community College Leaders’ Summit will be held. The convening provides leaders in the community with the opportunity for discussion on strategies to promote educational equity.

At the conclusion of the Summit, an awards presentation recognizes regional leadership for their commitment to educational equity and scholastic success.
