

# Migrant Student Leadership Institute (MSLI)

## Who we are

A two-week residential program for migrant high school students providing the information and tools necessary to pursue a college career and be competitive candidates for admission to a four-year institution.

## MSLI Goals

MSLI helps students understand:

1. Admission requirements to be admitted to a four-year institution
2. Multiple pathways to college
3. How to finance a college education
4. The social, health and economic benefits of a college degree
5. Their own values, goals, personal assets and challenges
6. The difference between college and high school
7. How to identify and utilize campus resources and services
8. How to build a strategic network of mentors
9. The importance of civic engagement, service learning and leadership
10. Introduction to careers in science, technology, engineering, arts and mathematics (STEAM)

## Demographics for Summer 2019 (N=76)

### Gender

55% of them are female.

45% of them are male.
