

# Paving, Excellence, Retention, Success in Student Trajectories (PERSIST) Program

## Who We Are

PERSIST is designed to meet the needs of students who are in their second-year of college at Sacramento State. It provides a series of workshops including academic planning, wellness, financial aid and workforce skills development for students to make a smooth transition to their upper division course material.

## How We Help Students

- Enroll students in 15 units or more in the following semester
- Provide students with financial aid and FAFSA information
- Help students understand University's academic requirements, policies and procedures
- Collaborate with community members and bring workforce skill workshops to students
- Get students involved in campus activities
- Disability testing for a limited number of eligible students
- In conjunction with The Well, provide Active Minds - Stress Less, Worry Less workshop presentations
- Get students connected to campus resources and mentoring opportunities

## Results from English 20 Presentations

- 90% of students felt that the workshop was helpful.
- 76% of students felt prepared for the following semester due to PERSIST participation.

## Survey: Types of services students want to receive from PERSIST

- 87% Academic Advising
- 51% Career Development / Exploration
- 45% Personal Advising

## Workshops Offered

1. **Financial Aid: "What's Next?"** – Covering additional steps students need to take after submitting their FAFSA which can include creating a Web Grants account for Cal Grant or submitting additional documents if needed for federal verification, applying for CSUS Scholarships, and submitting FAFSA/Dream Act.
2. **Career Readiness: Teamwork/Collaboration** – community employer (i.e. SMUD, State Farm) conducts workshops on desired skills employers are seeking from employees. Learn to work within a team structure and negotiate and manage conflict.
3. **Health and Wellness: Active Minds – Stress Less, Worry Less** – a presentation about simple techniques to manage stress college students face.
4. **Progress to Degree: Academic Advising/Class Planning** learn what classes to take next semester, learn about summer school options (at Sacramento State or community

colleges), tutoring, academic standing, general education, graduation requirements, and the Writing Placement for Juniors (WPJ).
