

Academic Advising Data Report 2021-23

Who We Are:

The Academic Advising Center helps create and implement individualized educational roadmaps consistent with each student's skills, interests, and values. Services include freshman advising, transfer advising, general education, and graduation requirement advising for all students.

Integrated Advising:

In partnership with academic colleges, Student Affairs has placed graduation retention coordinators within each of the college success centers to provide a seamless advising experience throughout a student's time at Sacramento State.

Integrated Advising Appointments

(College of SSIS Student Success Center, Engineering & Computer Science Advising Office, College of Education Student Success Center, SAGE Center):

Type of Service	2021-22	2022-23
Appointments Created	17,578	18,594
Distinct Students (appts created)	8,816	9,284
Appointments Completed	15,118	15,776
Distinct Students (appts completed)	8,241	8,744

First Year Advising:

Category	2021-22	2022-23
Target Advising Population	1,362	1,542
Advised Students	1,313	1,440

First Year Experience (FYE):

First Year Experience provides first-time college students a direct connection with professors in classrooms and learning communities. Peer mentors provide academic advising and assist first year students throughout their first year of college.

- 1,200 FYE students were served in 2021-22
- 1,236 FYE students were served in 2022-23

Second Year Success:

The Second Year Success Program is designed for students in their second year of college who have experienced academic challenge. Students are paired with a staff mentor to provide guidance, support, and advice.

Measure	Fall 2021	Spring 2022	Fall 2022
Total number of students in cohort	261	203	246
Retention of cohort overall	72%	70%	84%
