

Asian Pacific Islander Desi American Center

Fall 2022-Spring 2023

Director/Coordinator: Dr. Chao Vang/chao.vang@csus.edu; Andrew Yang/andrewyang@csus.edu

Who We Are:

The [Asian Pacific Islander Desi American \(APIDA\) Center](#) is committed to educational equity. The Center promotes and affirms the experiences of students who identify as part of the Asian, Pacific Islander, and Desi diaspora. The Center educates and engages with students to foster holistic, academic, and personal development to raise cultural awareness and advocacy needs. Across Sacramento State and in the community, the Center is committed to holding space to cultivate collaboration to address the unique and diverse needs of APIDA students and issues impacting these communities.

Points of Pride

- Grand Opening Community Celebration of the APIDA Center in February 2023; attended by over 500 guests and 20 community non-profit organizations including CSU Chair, Wenda Fong and Journalist Laura Ling.
- The 5th Annual APIDA College Day hosted; over 800 K-12 students with guest speaker and former alumni, State of California Secretary Amy Tong to promote early awareness of college access and career preparation.
- Implemented an APIDA faculty liaison council led by two faculty members and a weekly faculty drop-in office hour in the Center.

Data Outcomes

- 81% of students agreed that APIDA College Day helped them better prepare for college.
- 95% of students agreed that the APIDA Center Lunar New Year events allowed them to feel a sense of belonging.
- 97% of students agreed that the APIDA Center cultural events helps provide a sense of community on campus.

Signature Programs
