Who We Are:

The [Dedicated to Educating, Graduating, and Retaining Educational Equity Students \(DEGREES\) Project](#) seeks to provide enhanced services to students with a special focus on underrepresented students to make timely progress to their degrees and to reduce the achievement gap. Our services include, but are not limited to: peer advising & mentorship, faculty advising and mentorship, student success workshops & events, 24/7 tutoring, campus resource advising, and free testing materials.

Points of Pride

- We have an annual summer training for DEGREES Project faculty and staff
- We support and serve all URM students (15,000+ each year)
- Embedded advising with faculty in each of the seven academic colleges
- Monthly DEGREES Project Newsletter

Data Outcomes

- Via EAB, DEGREES Project advised a total of 756 students (not including events & activities). \*unfortunately data is not conclusive; not all interactions were logged—point for improvement\*
- All 15,000+ students are emailed with helpful resources on a weekly basis
- Student Academic Success Day serves over 1000 students, staff, faculty, and community members each year.

Signature Programs

- **Student Academic Success Day (SAS):** an annual campus wide event to promote student success that brings together over 1000 staff, students, and community members
- **K-12 Principals and Leaders Summit:** an annual event to recognize K-12 education equity leaders and to discuss best practices to foster college and career readiness
- **Mentorship Institute:** a convening to empower students, faculty, staff, youth, and community members to become the best versions of themselves.
- **DEGREES Project Monthly Newsletter**
- **Mid-Term Munchies:** A week to promote a stress-free environment and mindset to assist students during mid-terms
