## Components

- **Outreach and Recruitment** – recruits potential applicants by visiting high schools and hosting campus field trips. The Outreach Department completed 63 high school presentations, hosted 21 on-campus field trips, and attended 21 community events. A total of 13,063 students, parents and education staff participated in the activities. In all, 784 applications were received for 2018-2019 admission period.
- **Testing** – all students took the English Placement Test (EPT) and the Entry Level Mathematics (ELM) prior to registration. All CAMP students developed their own Individual Academic Plan (IAP). The IAP includes an Academic Plan of courses to follow (General Education [GE] and Graduation Requirements [GR]), number of units and study hours recommended, and ongoing meetings with a Retention Specialist.
- **Orientation/Housing** – provides information about on/off campus housing options, cost of living, financial package, rooming and rental agreements. All CAMP students attended the New Student Orientation.
- **Health Services** – schedules physical examination with the Student Health Center or with their outside medical provider.
- **Course Pedagogy – Becoming a Community of Learners** – students participate in one or all of the following: Educational Opportunity Program's (EOP) Summer Bridge Academy, CAMP Learning Community and CAMP Freshmen Seminar.
  - **EOP Summer Bridge Academy** is a free intensive five-week program that works collaboratively to engage in an ongoing transition process from high school to college.
  - **CAMP Learning Community** is where students are assigned to take three aligned courses as a cohort and share the entire first-semester curriculum.
  - **CAMP Freshman Seminar** is a yearlong course that aims to prepare CAMP students for a successful transition and integration to campus.
- **Advising (Personal, Academic, and Career)** – provides instructional and emotional support to help students achieve academic success.
- **Tutoring** – students complete a minimum of five hours a week in the tutoring lab, either working one-on-one with a tutor, participating in-group tutoring session, studying independently and/or completing homework assignments.
- **Educational Enhancement/Cultural Enrichment** – students participate in at least one cultural and/or educational activity.
- **Financial Assistance** – All CAMP students received one-on-one and/or workshop assistance in completing the Free Application for Federal Student Aid (FAFSA) as well as follow-up services to ensure students submit all required documents in a timely manner for the Fall 2018 and Spring 2019 semesters.
- **Follow-up Services** – All CAMP students applied to the Educational Opportunity Program (EOP) at the time of admission.
