

Staff & Faculty Inquiries

Student Health & Counseling (SHCS) has a fulltime Care Coordinator who is available to assist faculty, staff, and administrators by discussing services available, answering questions, and helping make appropriate referrals.

If you have a question about the services provided at SHCS or regarding a student who may benefit from services at SHCS you may contact [Josie McManaman](#) for assistance.

The Care Coordinator can assist by:

- Answering questions about SHCS services
- Giving tips on how to refer students to SHCS
- Being available for faculty/staff meetings to discuss SHCS in more detail
