

Spring 2024 ONLY - Costs and Fees Breakdown

These costs are only for new students during Spring 2024; students that have lived on campus for the entire academic year should refer to that rate sheet.

Total cost includes Rent (amount based on room type assignment) and Board (Meal Plan amount). Prices include rent for space in furnished room/suite from August through December and January through May (student vacates during Winter Break, but can leave their belongings in the room/suite), all utilities, access to Wi-Fi, and Xfinity TV and DVR style service. Price for Meal Plan is for Fall and Spring semester.

Housing Room and Board - Cost and Fee FAQs

What is the monthly cost of on-campus housing?	Unlike off-campus apartments, we do not have a monthly housing cost. <u>Students are charged per semester</u> for rent and board (like their tuition and fees for the University). Prior to each term, we will post room and board costs (before Financial Aid disbursement).
What are the different payments and due dates then?	We automatically divide each semester into 4 installment payments that are due throughout the semester. The first due date is always the first Friday of classes.
What does my \$250 pre-payment go towards?	For students living with us for the Spring only, the \$250 pre-payment (collected during the application process) applies towards your Spring rent (the first installment). Therefore, the first installment is \$250 less than the other installments.
What is the \$20 Installment Service Fee?	A \$20 Installment Service Fee will be assessed if all installments for the semester are not paid (\$0 balance) by the first Friday of classes for the term. This is a processing fee.
Does Housing charge late fees?	Yes. A \$25 late fee will be assessed for each missed due date.
Are there additional charges if you move-in early or move-out late?	A \$39 daily rate is charged for all approved Early Arrivals or Late Departures for each semester.
