I understand that my Financial Aid Award Notification, which contains my specific award amounts, has not yet been completed. I will complete all financial aid requirements and paperwork. I request that my incoming expected family contribution estimate and financial aid award be used to defer the \$175 application installment until my financial aid award can be posted and disbursed.

If this request is granted, I agree to the following provisions:

- I agree to accept all grants and loans necessary to cover my housing fees.
- I agree to complete all loan counseling, sign promissory notes, etc. that are required by Financial Aid Office and/or lender in a timely manner. Completion of these processes will be verified through the Sacramento State Financial Aid Office.
- I understand and agree that I will be responsible for any Housing fees that are not covered by Financial Aid due to lack of funding or incompleteness of Financial Aid processes. I will make payment of the uncovered Housing expenses by the specified due date(s).

I have read the information and agree to comply with the provisions stated above. I also understand that if I fail to follow through on these financial aid items, I may be subject to one or more of the stipulations listed the Treatment of Indebtedness section of the Housing License Agreement.
