Name of Organization: _____

The Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, seeks to guarantee both a student's right to access to education records, financial aid records, and financial records, and the confidentiality of student information. Institutions may not disclose information contained in education records without the student's written consent except under certain conditions. Because of your participation in an Student Organization that has either a national organizational structure and/or governing body, it is necessary for the University to secure your consent to release records relating to said membership to that national organization/governing body. A student's record can only be released to third parties, such as national student organizations/governing body, by providing a written authorization or consent. I hereby give my consent for the following national organization/governing body of my student organization to have access to my education records but only to the extent these records relate to establishing my eligibility for membership in said organization and/or when an inquiry and/or determination is underway by the University and/or the identified organization/governing body relating to alleged misconduct by me while engaging in activities relating to this student organization. I understand this consent will remain in effect until I notify Student Organizations and Leadership in writing that it is rescinded.
