## MENTAL HEALTH RESOURCES

(Meets Bill Requirements (d) (1) (A))

Counseling Services	Website
<b>Student Health, Counseling and Wellness Services</b>	<a href="https://www.csus.edu/student-life/health-counseling/">https://www.csus.edu/student-life/health-counseling/</a>
<b>Group Counseling</b>	In group therapy, 5-10 students meet with one or two clinicians to talk about issues they are facing. There are many themed groups available including support spaces for students navigating grief/loss.
<b>Peer Counseling</b>	Peer Counselors are current students who are trained to be supportive, helpful listeners and problem solvers. They are located around campus with varying days and hours.
<b>Urgent Care</b>	If a student is in crisis, please ask to meet with the urgent care clinician rather than scheduling an appointment. A crisis entails acute emotional distress, usually right after a traumatic experience, which may include physical or sexual assault, the death of a loved one, or suicidal thoughts.
<b>Single Session Counseling</b>	A one-time appointment that is designed to meet your needs in the moment. In a Single Session appointment, you will meet with a mental health clinician for about 45 minutes and focus on your immediate concerns.
<b>Individual Counseling</b>	We offer short-term individual counseling with an emphasis on your academic success and improving your daily functioning. One-on-one counseling can help people with common problems and mental health

	issues such as academic stress, anxiety, cultural and identity concerns, depression, and more.
<b>Confidential Support</b>	<p>Confidential support and advocacy services are available 24 hours a day for survivors of sexual harassment, sexual assault, domestic/dating violence, and stalking. Our campus confidential advocate will help survivors review their options for reporting the crime and assist in making a report, if desired. Staff can also assist survivors with obtaining medical and counseling service, restraining orders, and coordinating victim services both on and off campus.</p> <p><a href="mailto:weave@csus.edu">weave@csus.edu</a></p>
