Community Health Outreach Club

We are an on/off campus club, serving communities around Sacramento and Placer county. Our mission is to provide resources, information, and services based on our scope of practice of health care to people in our community. We want to improve the quality of life of the most

vulnerable and at-risk individuals in our community by bridging the disparities in access to healthcare. We embrace six core values - compassion, respect, integrity, empathy, teamwork and accountability - as a way of interacting with each other and the people we reach. We will work in collaboration with public agencies and nonprofit providers, and will uphold these values, as we are the future face of medicine. CHOC is a critical link between people in need -the under-served, uninsured, the working poor, students, and others - offering services and resources as we are capable. Assistance is provided free of charge and without restrictions to all who come to us, regardless of age, ethnicity, religion, documentation status or sexual orientation.
