**Alpha Phi**
The objectives of our Fraternity are the promotion of growth in character; unity of feeling, sisterly affection, and social communion among our members. In all that we do, we try to obey God's principles of justice and right. We have banded ourselves together to improve our minds and hearts, and we seek to aid each other through a constant watch care always given in love. We believe ourselves to be sincere searchers for truth. We seek the highest ideal of womanhood, and we try to gain this ideal by cultivating not only the power and passion for seeking intellectual development but, also, the spirit of love and charity. And we who are thus united are under a solemn pledge to lend a helping hand to one another. Constitution of Alpha Phi International Fraternity, Incorporated, Article II

Kappa Psi Epsilon
Kappa Psi Epsilon was founded on the symbolism of the KA - an alibata symbol of the ancient Pilipino culture standing for resistance to oppression and the struggle for freedom. It is in this belief that Kappa Psi Epsilon is fully dedicated to studying and analyzing the Pilipino and Pilipino-American past, present, and future. In doing so, the Sisters of Kappa Psi Epsilon can learn from history and find their places in present and future struggles for freedom. However, before any type of revolution occurs, there must be revolution of self. Kappa Psi Epsilon cultivates this "revolution" through sisterhood, active listening/learning, and analyzation of individual and organizational successes and failures. Only in finding this revolutionary self can true inner strength emerge - thus a self that supports the meaning of the KA. Kappa Psi Epsilon is a unity of women that supports, as well as understands, the need to resist oppression and to always struggle for freedom, be it within or externally.
