

Outstanding Mentoring Award 2023

Shannon Ainger, Strategic Business Resources

Shannon Ainger serves as the Sr. Budget Analyst for the Divisions. In her role, she mentors analysts within the divisions on budgets, projections, accounts payable, procurement, and so much more. She is approachable, answers questions with patience and ease, and never makes you feel inferior. She takes pride in her work and experience. She willingly shares her knowledge monthly during the Admin Team meetings, in 1:1 with analysts, and via the continuous questions and inquires via Teams chat, email, and phone. She is actively involved in University Staff Assembly. Shannon is truly a remarkable employee, and I highly recommend her for the Outstanding Mentoring Award.
