

# Campus Educational Equity Committee (CEEC)

The Campus Educational Equity Committee (CEEC) is a University Committee that reports to the Vice President of Student Affairs and is over seen by the Associate Vice President of Student Retention and Academic Success. The committee works to review and provide oversight leadership of educational equity initiatives and programs to assure the successful work of closing equity and opportunity gaps among students from high need and underserved communities. The committee is composed of key stakeholders from across the University representing the faculty, staff, and student body in an effort to discuss and strategize continued innovative approaches to educational equity practice.
