I. All Wheeled Devices, Motorized Wheeled Devices, Partially Motorized Wheeled Devices, except those specified as exempt, are regulated by the University everywhere within the boundaries of the Campus as to time, place and manner of use, and parking.

II. Regulation of all Wheeled Devices applies to two groups of devices:

a. Certain Wheeled Devices as specified below are allowed on campus but regulated as to time, place and manner of use and parking.

b. Certain Wheeled Devices, including all Motorized Wheeled Devices, are absolutely prohibited from any part of campus at all times, with limited exceptions as specified below.

III. Regulations for time, place and manner of use of Wheeled Devices on Campus:

a. Any person wishing to use any Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device on Campus is required in advance of use to know and understand this Policy, and the specific regulations described here, especially including the exact location of the Pedestrian Zone, the locations of approved parking zones, and the general prohibition of Motorized Wheeled Devices.

b. Non-motorized bicycles and motor assisted bicycles may be used in all bicycle lanes as posted and all bicycle/pedestrian shared walkways as designated on the bicycle map and campus signage.

c. Non-Motorized Wheeled Devices may be operated in all allowed areas of campus OUTSIDE of the Pedestrian Zone.

   i. All non-Motorized Wheeled Devices used outside of the campus Pedestrian Zone must at all times yield right of way to any pedestrian, service animal, and medical mobility device.

d. Use or operation of any Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device inside the Pedestrian Zone is strictly prohibited.

e. Wheeled Devices which can be carried by an individual may be carried into a Pedestrian Zone, but cannot be used or operated inside or outside any buildings (including classrooms) in the Pedestrian Zone.

f. Wheeled Devices that are allowed on campus, and operated after dark are to be operated using appropriate lights and reflectors as specified by CA Vehicle Code 21201(d).

g. Operating or using a Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device inside any building, parking structure, other structure, or sports facility, or on any ramp, stairs, or landing, is prohibited.
h. Operating or using a Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device off a designated roadway, walkway or paved surface, or on any landscaped area is prohibited.

i. Operating a skateboard or other Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device off the ground pavement, and contacting railings, steps, seating, or any other non-ground structure on Campus is prohibited.

j. Electrically motorized “hoverboards” any similar device with a different name are banned from the Campus due to risk of fire.

IV. Pedestrian Zone Regulation:

a. Footpaths, sidewalks, interior roadways, buildings, structures, stairs, ramps or landings, parking facilities, sports facilities and other locations on campus that are established and designated by map as the “Pedestrian Zone” are areas in which all persons on foot and service animals and those with medical mobility devices have the expectation of safety without having to be alert for potential contact or collision with a Wheeled Device, Motorized Wheeled Device, or Partially Motorized Wheeled Device in motion.

b. All students, faculty, staff, and public visitors to the Campus are expected to be aware of the policy “Use of Bicycles and Wheeled Devices On Campus” and act in accordance with this campus policy so that everyone on campus can enjoy the expectation of freedom from collision with wheeled devices inside the Pedestrian Zone.

c. Pedestrian Zones are identified by description and map and also identified by sidewalk markings, and signs posted prominently at all locations where the perimeter of the Pedestrian Zone begins.

d. Pedestrian Zones will be periodically reviewed by the University, with any recommendations for change approved by the President.

e. The University may change the Pedestrian Zone at any time.

V. Wheeled Device Parking Regulation:

a. Bicycles shall only be secured, stored or parked using designated bicycle racks or containers.

b. All Wheeled Devices, Motorized Wheeled Devices or Partially Motorized Wheeled Devices allowed on Campus must be parked in a parking area specifically designated by the University.

c. All Wheeled Devices carried into a Pedestrian Zone are prohibited from being parked in a manner that blocks or impedes in any way egress in or out of any building, or room or hallway, or blocks or impedes in any way emergency paths of travel, or disability access to any building or room.
d. Devices locked or otherwise secured to poles, trees, rails or other objects not intended for parking may be removed and impounded at the owner’s expense.

e. A commercially rented Motorized Wheeled Device that is allowed to enter campus as a result of a valid contract between the Vendor and the University must be parked in parking areas specified for these devices only, in accordance with the contractual parking requirements established between the University and the Vendor.

f. A commercially rented Motorized Wheeled Device that is allowed to enter campus as a result of a valid contract between the Vendor and the University is prohibited from being carried into the Pedestrian Zone, or into any building.

g. Wheeled Devices, Motorized Wheeled Devices or Partially Motorized Wheeled Devices, whether personally owned or rented from a Vendor, that are locked or otherwise secured to poles, trees, rails or other objects not intended for that purpose, or abandoned without locking, in any areas on the Campus that are not designated parking locations may be removed and /or impounded at either the owner’s expense or at the expense of the renter or both.

VI. Motorized Wheeled Devices Exempted From Regulation Through Contract Between the Vendor and the University:

a. Wheeled Devices, Motorized Wheeled Devices or Partially Motorized Wheeled Devices that are specifically identified as operating under a valid contract with the University for the purpose of providing improved transportation options for students, faculty, and staff may be permitted for limited use in specified areas of the Campus.

b. Bicycles, partially motorized bicycles, and motorized stand up scooters owned by a commercial enterprise and rented for use to students, faculty, staff, or the public are specifically prohibited from entering the campus and being operated anywhere on campus at any time under all circumstances, unless there is a contract between the commercial vendor and the university, with specifications for entry, use, parking, recharging, and maintenance of the device specified in the contract.

c. These commercial exemption contracts will specify the exact allowable manner, time and place for operation of the particular Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device, where the specified device must be parked, the insurance and liability requirements for the vendor, providing safety information and equipment for uses, geo-fencing to automatically limit the use of the specified device on particular areas of campus, and the ability for the University to cancel the contract with the vendor at its discretion.

d. The University may at its discretion require other contractual obligations for the Vendor as to, but not limited to, time place and manner of use, operation, parking, recharging, maintenance of devices, insurance, liability, and enforcement.

e. A student, faculty or staff renting or otherwise acquiring a Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device outside the Campus from a Vendor does not
f. The University will publicly identify the exact Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device and the exact manner, time and place for allowable operation for any particular Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device for which a valid contract exists and continue to provide that information publicly to all campus stakeholders and the public as long as the contract is valid.

g. Wheeled Devices, Motorized Wheeled Devices or Partially Motorized Wheeled Devices owned by a commercial enterprise which do not have a valid contract with the University and rented to individuals who bring them to locations on the Campus where they are prohibited will be impounded by the University and returned to the vendor at a time convenient to the University and at the Vendor’s expense.

h. Motorized Wheeled Devices or Partially Motorized Wheeled Devices rented from a Vendor are prohibited from being recharged, or serviced by any student, faculty or staff anywhere on the Campus, including Student Housing.

VII. Enforcement:

a. Students who are found to have violated the Wheeled Devices use policy are subject to monetary fines as established by section 21113 of the vehicle code, and/or Student Affairs administrative disciplinary action for failure to adhere to a campus policy.

b. The University police may cite an operator of a Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device and/or immediately revoke an individual’s permission to use the device on the campus if used in a Pedestrian Zone, or used with excessive speed, or recklessly operated, or used in the dark without appropriate lighting, or used for dangerous exhibitionism.

c. The University Police may at their discretion, immediately cite an operator and impound a Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device if used in a manner, time or place deemed hazardous to any person(s) on campus or detrimental the operation of the University.

d. The University Police, or their campus operations delegate, may impound any Wheeled Device, Motorized Wheeled Device or Partially Motorized Wheeled Device parked or abandoned in a Pedestrian Zone location, or parked or abandoned in violation of contractual obligations of a Vendor, or parked or abandoned in any other location deemed detrimental to University operations, detrimental to public safety, or detrimental for equal access.

e. Members of the public who violate this policy and procedure on the Campus are subject to fines and/or other disciplinary action through Campus Police procedures, according to Section 21113 of the CA Vehicle Code.
