ACCELERATED COLLEGE ENTRANCE (ACE)

Academic Affairs - Office of the Provost/Undergraduate Studies
PHONE (916) 278-4120

The Accelerated College Entrance (ACE) program continues to provide opportunities for qualified high school students to take university classes at Sac State. Students admitted to this program have the potential to succeed in fast-paced instruction while they maintain high school enrollments, but sometimes they need extra feedback to help adjust to university classes. Please provide a quick progress report of the student listed below and return to me via campus mail or email.

MIDTERM EVALUATION

To be completed by ACE student
