**Agreement**

Witt exhibitors are responsible for all aspects of their show. Including but not limited to funding, external publicizing, installing, and de-installing their shows. They must also provide gallery attendants during the hours the gallery is open to the public (noon-4PM Tuesday-Friday). It is mandatory that the prospective exhibitor read the R.W. & Joyce Witt Exhibition Guide Packet (available on the University Galleries website), and attend an orientation meeting at the beginning of 2024-25 (date TBD). If accepted for a show, the exhibitor agrees to supply the department with information about their show when requested. Any changes to the topic/structure of the accepted exhibition must be discussed in advance with the faculty sponsor. All correspondence will be to the student's official Sacramento State email address.

I accept this agreement.

I have read the R.W. & Joyce Witt Exhibition Guide packet.

If accepted, I will communicate in a timely manner about my show and will fully supply information about my exhibition to the Art Office, so that the department can promote my show on the website, social media, and the University's calendar.

**Proposal**

Below, briefly summarize your ideas for your exhibition. In a separate pdf include 3-5 digital images of your work or images for exhibiting artists. Label artwork images with artist name, title, year, media, size. PDF should also include a brief artist statement or curatorial statement for group shows. Please attach an additional page if more room is needed for your proposal description.
